ARBOR TRACE

To: All Residents

From: Jennifer Whitten

10/7/2024

We are actively watching Hurricane Milton

In the abundance of caution, the following will be closed:

Kitchen and Dining Room Services (including Pickup and deliveries) – Closed Wednesday and Thursday.

Clubhouse and all services (Housekeeping, Maintenance, Laundry, Business Office, Activities and Transportation) – Closing Tuesday after dinner (no Bingo) through end of day Thursday.

We will only have a skeleton crew here to take care of the Assisted Living residents in Arbor Glen.

In closing, I would remind you that this is independent living and support staff will not be available should we be under a Hurricane watch, warning, or mandatory evacuation. When weather conditions deteriorate, your emergency pendants and phone calls for assistance will not be answered, as we cannot put staff in harms way. Also, Collier County does not send emergency vehicles out in a hurricane.

At this point there are not mandatory evacuations, however I recommend that you do not stay. Property can be replaced, You can not. **If you plan on leaving, please let the Concierge or Clubhouse know**. We will update when possible and as necessary. Please stay safe and be patient while we overcome this storm.

Jennifer Whitten, Executive Director
