**Arbor Glen at Arbor Trace**
**Assisted Living Facility License #7793**
**Monthly Rate Schedule Effective January 1, 2026**

| Residents Level of Care | | Standard Private Room | Deluxe Private Room | Two-Room Private Suite |
|---|---|---|---|---|
| **Level I** | Resident may require assistance with medication administration and supervision with bathing and personal grooming but is consistently independent in other activities of daily living. | $5,400 | $6,000 | $7,200 |
| **Level II** | Resident may require assistance with medication administration, assistance with bathing and/or personal grooming and assistance with one of the following activities of daily living on a consistent basis: ambulating, dressing, eating/feeding, toileting and/or incontinence care. Requires assistance with Cpap machine, braces or splints and physician ordered TED hose. | $5,800 | $6,400 | $7,600 |
| **Level III** | Resident requires medication administration as well as assistance with bathing and/or personal grooming and assistance with two or more of the following activities of daily living: ambulation, dressing, eating/feeding, toileting and/or incontinence management, and routine indwelling catheter and/or ostomy care. | $6,200 | $6,800 | $8,000 |
| **Level IV** | **(Extended Congregate Care/ECC)** Resident requires medication administration, toileting and/or incontinence management and any/all of the following: oxygen therapy, support with transfers requiring assistance of one or more staff or total care and assistance with up to four activities of daily living. | $6,600 | $7,200 | $8,400 |

**Respite Care: Daily or weekly respite care is available for $300.00 per day. This rate is all inclusive.**

**Occupancy:** Published rates are based on single occupancy. For double occupancy (offered in two-room suites only), the second person is $2,500 per month plus $400 per month for each additional care level beyond level I. There is a one-time admission fee of $500.00. Rates and room availability are subject to change.

Arbor Glen prides itself on all-inclusive rates. All rooms are equipped with hospital beds, electric recliners, and personal refrigerators. Additionally, fiberoptic cable, internet and land line phone service is included. Housekeeping, linens, and basic toiletries are provided as part of the accommodation. Dietician approved, chef inspired meals and snacks are included.

Residents are encouraged to personalize their space with artwork, personal furniture, and choice of wall color.

**Ancillary Supplies:** Ancillary supplies, including adult briefs/sanitary pads, personal care products, liquid dietary supplements, medications and other supplemental services/treatments and supplies are not included. Personal laundry service is available for $50 per month.
